

For more information, please contact the school office or check out our website:
www.proctor.cv.k12.ca.us/sciencebooster

Thanks to the generous support of many Proctor parents our children have had a science teacher for K - 3 and technology support for all grades.

We Need Your Help to Continue this Great Program!

You can participate and support the booster with any amount; no donation is too large or too small! All donations are tax deductible (taxpayer ID #45-0588514).

The Science and Technology Booster also needs volunteers to run the Booster. The time commitment is small, yet by volunteering you can help to ensure a good science education for our children. If you are interested, please let us know on the form below and we will contact you.

Please complete form and return it with your donation to your student's class or the school office, or mail it to: Proctor School Science Booster, 17520 Redwood Road, Castro Valley, CA 94546. Make checks payable to "Proctor School Science Booster".

THANK YOU!

Donor's Full Name: _____

Student's Name(s): _____

Email Address (optional): _____

Donation Amount: \$100 \$150 \$200 \$500 \$25 \$_____ other

I am interested in volunteering to help the Science and Technology Booster . The best way to contact me is _____
